

7 Years Anarchy Online Birthday Special

Each year an awesome event occurs. We are always looking forward to it for a long time...

The Anarchy Online Birthday Bash!

7 years - that's of course a reason for a party ..

And we did party!

Each party needs them ...

... our VIAUNPCs*

Not everyone enjoyed
the party as much
as dear Hezak ...

...some preferred
"special" places ...

... others didn't know
where to hang out..

... requested
human sacrifices

... can't remember
anything ...

... or have been
seen only once ...

* Very important and unique non playing character
